

⚡ Current Skill The Career Follow-up

The Career Follow-up

Mission

The Career Advisory Team at GOMYCODE provides the necessary guidance to help Bootcamp students make informed decisions about their career paths and to ensure that they find the job opportunities they deserve. We offer An exclusive course called "The Job Hunter Guide".

Objective

- 📋 Our goal at GOMYCODE is to help 100% of our bootcamp students get hired . We achieve this with the Career Advisory Team's guidance and support, and partnerships with companies eager to hire our graduates.

About the Job Hunter guide: - Built by experts

We will explore how to create a strong, recruiter-friendly resume, and the best way to stand out and prepare for the interview process. Additionally, we will go over how to create a professional and effective LinkedIn profile to further enhance your job search efforts, with advice from an ex-LinkedIn recruiter.

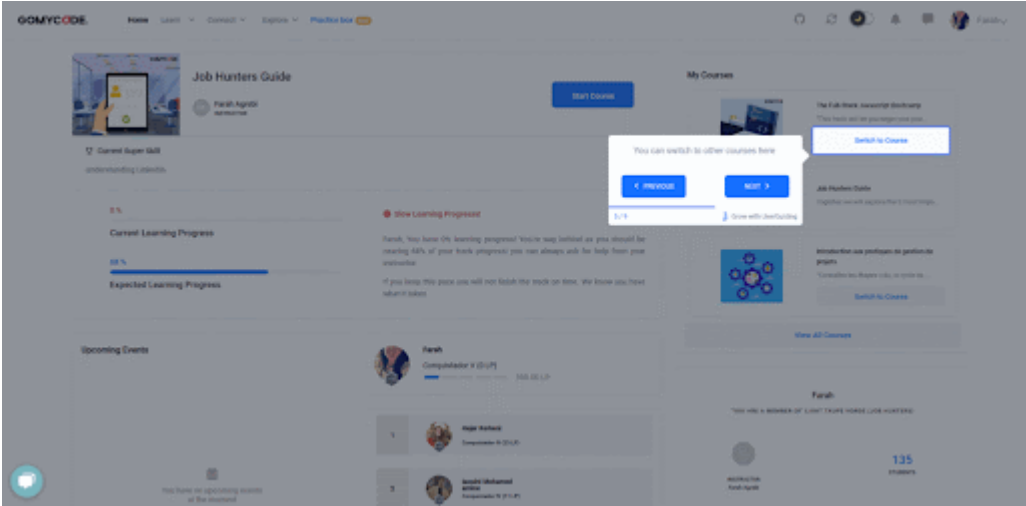

Main topics covered in the track:

- Create an **impactful CV** by understanding content, formatting, and visuals.
- Gain confidence in showcasing skills and experience for job search.
- Learn to answer common and challenging **interview questions** effectively and Improve **interview skills** by understanding **how to negotiate, ask questions and obtain feedback**.
- Leverage **LinkedIn** to tell professional and personal stories, to advance your career.
- A **Career Team** for follow up step by step
- An exclusive **talent pool** and **job offers** for our Students
